MINISTRY OF JUSTICE AND ATTORNEY GENERAL
THE PROVINCIAL MEDIATION BOARD TRUST ACCOUNTS

FINANCIAL STATEMENTS

For the Year Ended March 31, 2012

PROVINCIAL AUDITOR
of Saskatchewan

INDEPENDENT AUDITOR'S REPORT

To: The Members of the Legislative Assembly of Saskatchewan

I have audited the accompanying financial statements of the Provincial Mediation Board, which comprise the statement of financial position as at March 31, 2012, and the statement of changes in net financial assets for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Public Sector Accounting Standards for Treasury Board's approval, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements present fairly, in all material respects, the financial position of the Provincial Mediation Board as at March 31, 2012, and the results of its changes in net financial assets for the year then ended in accordance Canadian Public Sector Accounting Standards.

THE PROVINCIAL MEDIATION BOARD TRUST ACCOUNTS
NOTES TO FINANCIAL STATEMENTS

March 31, 2012

1. Legislative Authority

The Provincial Mediation Board Trust Accounts (Trust Accounts) were established for the purpose of receiving and disbursing monies for persons who have entered into negotiations for the settlement of debts, either through the Orderly Payment of Debts Regulations, Consumer Proposal Program, *The Provincial Mediation Board Act*, or *The Tax Enforcement Act*.

2. Significant Accounting Policies

These financial statements are prepared in accordance with Canadian public sector accounting standards applicable for governments. The following accounting policies are considered significant:

a) Receipt and Payment of Trusts

Monies are held in trust on behalf of clients and paid out to creditors through mutually agreed upon payment plans or consolidation orders made pursuant to Part X of the *Bankruptcy and Insolvency Act*.

b) Net Financial Assets

Net financial assets are the total of the various trust monies held on behalf of persons who have entered into negotiations for the settlement of debts, either through *The Orderly Payment of Debts Regulations, The Provincial Mediation Board Act,* or *The Tax Enforcement Act*.

c) Applications and Administration Fees

Under Part X of *The Bankruptcy and Insolvency Act*, the Orderly Payment of Debts Consolidation Orders are subject to application and administration fees which are deducted and paid to the Ministry of Justice and Attorney General.

d) Cash Flow Statement

A cash flow statement has not been provided since cash flow information is readily apparent from the other financial statements.

e) Adoption of New Accounting Standards

Effective April 1, 2011, the Trust Accounts adopted Canadian public sector accounting standards retrospectively. The adoption of public sector accounting standards did not result in a change to the statements.

3. Related Party Transactions

In accordance with established government practice, the Trust Accounts have not been charged with any administrative costs and no provision for such cost is reflected in these statements. These costs are borne by the Ministry of Justice and Attorney General (Ministry) from monies appropriated by the Legislature for such purposes. Also, the Provincial Mediation Board transfers to the Ministry the application and administration fees the Trust Accounts collect pursuant to section 6 and subsection 7.1(2) of *The Provincial Mediation Board Act* from the mediation of debt program and tax enforcement proceedings. During the year, the Trust Accounts paid, $64,751 to the Ministry for such fees.

The Provincial Mediation Board's bank accounts, described as Due from General Revenue Fund (GRF) are included in the Consolidated Offset Bank Concentration (COBC) arrangement for the Government of Saskatchewan. No interest is paid into these accounts by the GRF.

Due from GRF is the only financial instrument of the Provincial Mediation Board and has been classified as held for trading. There are no significant terms and conditions related to this financial instrument that may affect the amount, timing and certainty of future cash flows. The carrying value of this instrument approximates fair value due to its immediate or short-term nature.

4. Budget

Budget amounts have not been disclosed as the Provincial Mediation Board's nature of operations does not provide for relevant budget amounts to be reasonably determined.
